President's Post

Welcome to U3A Wheelers Hill for the first term of 2018. My thanks to all those tutors and leaders who offered and ran activities in the term breaks. Many members are keen to continue their regular class activities and others take the opportunity to try something new in the breaks. We would love to have support from other leaders who may have activities that they would like to lead in future Term breaks. It is great to see how well the classes have settled in. We are most grateful for the increase in the number of **Yoga** classes and to see the **Tai Chi** class take off. I have had a request from several of our members for us to run a History Group. If you have an interest in leading a group with like-minded people do email u3awheelershill@gmail.com to make a time to talk with us. This brings me to the point, where you or people you know, may have an idea for a class or group that would increase the realms of knowledge or understanding for members. Remember that there are no prerequisites for leaders or class members.

The beginners **Line Dancing** in the Notting Hill Community Centre on Fern Tree Gully Road is going great guns. The obvious enthusiasm and laughter are a joy to see.

Tony Danino has done considerable work in the summer vacation to improve aspects of our existing technology and particularly the sound systems that are an asset to the Dancing Groups that are held off-site. This should be especially valuable for use in the large halls where it is impossible for sound to travel over the whole space.

Enjoy March as the autumn leaves begin to fall and remember to have fun here at U3A Wheelers Hill.

Judy Cox, President

The **Volunteer Team** is looking for a member to organise occasional Film Groups at Pinewood Cinema. Maybe once or twice per term. This will involve choosing a film that you find interesting and letting all members know about it through our emails. We will assist with that. All you need is the name of the film, time and date of viewing and the cost per head. You may like to meet for a cuppa afterwards. Let us know. Phone: 8822 8376 or email u3awheelershill@gmail.com

Great news. New-look website live. Monday 16th March.

Same web address - but a new look. Let us know what you think.

Note: Class waiting lists U3A Wheelers Hill

- If you are on the class waiting list that is just that. It is a waiting list.
- As other members leave we can then put you into that class in turn.

Respect the tutors and class leaders who have put a cap on the number of people in their group for a good reason. Also there are often people who are on the waiting list ahead of you. We do not want to cause unhappiness or resentment if you go ahead of the queue.

GARDENING GROUP

1st meeting of the year. Tuesday 13th March 2.00 pm 1 Jacksons Road Mulgrave

This is not going to be a fixed time, that will be up to the group as to the way that it is run.
