

## Some classes have closed for the remainder of year 2018

**Due to heavy demand**, classes **Line Dancing Beginners** and **Wisdoms for Life's Journey** have now reached maximum capacity. Thus we won't be able to enroll any new students for the rest of year 2018.

Any member interested in these classes will need to look to enrolling for 2019 when enrolments open in December.

**Arrive to class 10 mins before class start time.** To minimize class disruption, all members aim to arrive at class 10 mins before class start time. Especially for the exercise classes, for your own safety, please arrive early to get the equipment setup before the class starts.

### Walk and Talk

Friday mornings have turned out to be a great delight. The walk around the usually serene lake at Jells Park is a very pleasant way to spend a relaxing hour regardless of the weather. The group gathers on the forecourt just outside the delightful cafe and take off at 9.30 am on the dot. The walk caters for gentle walkers and those who like a bit of a break along the way thus taking advantage of the bird hide to check out the seasonal influx, or otherwise, of the birds that inhabit the still waters of the lake. Many walkers stay afterwards for a coffee and chat at Madelines Cafe. All members of U3A Wheelers Hill are welcome so do join us. Come along on Friday.

### Bendigo Bank

Last year a couple of our members put together a convincing pitch to a group of community minded businesses and organisations through the Bendigo Bank. We were so fortunate to get donations of \$3000 to support your U3A here at Wheelers Hill. This is currently an annual event and a lot of fun. We would like your assistance this year so give us a call on ph 8822 8376 to register your interest in attending the pitch night.

### Tai Chi

Welcome to our newest Tutor. Eddie Chew. I have it on good authority that the students of Tai Chi are thoroughly enjoying his style of instruction. Fantastic.
