

Message from the President

News Bulletin – 15 July 2021

Urgent Notification - Victorian Immediate Lockdown

I wish I had better news to share, but we have, only minutes ago, received notification that all Monash facilities will be closed effective from midnight tonight, reopening at 8am on Wednesday, 21st July.

Accordingly, effective immediately, all in-person classes are cancelled until 21st July.

I will communicate with you again, just as soon as we know of any changes.

Stay safe, please!

Ann Findlay, President
