

Extension of Victorian Lockdown 5

Last week, with the snap lockdown imposed, all in-person classes were cancelled until 21st July. You will be aware by now, that the lockdown has been extended with restrictions in place for a further 7 days.

Given the uncertainties presented by the current situation around Covid, suspensions for in-person classes will remain in place **until further advised**; classes conducted online to continue as scheduled.

Take care and we hope to return to classes soon.

Ann Findlay, President
