Victorian Lockdown 5 – Update

Some good news!

There has been some lifting of restrictions, allowing some of our smaller classes (*where attendance, including the tutor, can be maintained to a **maximum indoor group size of 10***) **to resume effective as of midnight tonight.**

Strict rules including social distancing, sanitisation and contact tracing requirements must continue to be observed; masks must be worn at all times, unless exemption applies.

For our larger groups, still a little longer to wait. Hopefully, we hear soon as to when we can return to class.

Thank you for your patience as we work through this together.

Ann Findlay, President
