News Bulletin – 21 February 2022

---

Hello everyone

Hopefully these weekly bulletins will become less regular soon, but I would rather communicate than not, so to avoid any confusions or have you uninformed.

### [Current Restrictions – Monash Facilities](#)

There appears to be some confusion regarding the current restrictions relating to COVID. It is true that some restrictions were relaxed across Victoria from last Friday night (18<sup>th</sup> February). However, as advised today, the guidelines for use of Monash facilities, other than density limits, will remain until further advised. All our classes do already meet the density limit guidelines, so no changes there.

Please note the following rules do still apply (*excerpt from Monash's notification today*):

- You must be fully vaccinated to enter a community facility & provide proof to your group representative
- You must check into the facility via the QR Code or register via the manual registration document provided
- Use hand sanitiser on entry & through your occupation of the facility
- All persons over the age of 8 years must wear a mask when inside a community facility – *However, if a person is of the firm view that their physical activity is strenuous exercise to the extent they satisfy the exemption of wearing mask, then it is a matter for them to decide.* (We would expect that at all other times participants ensure they wear masks when required to do so in accordance with the Order.)

### [Spanish Class \(Thursdays 10am to 11:30am\) - Cancellation](#)

Yolanda Cuberes, our Spanish tutor has advised that she will no longer be available to take our Spanish class due to some unavoidable change in her personal circumstances. We are sad to bid her farewell and would like to sincerely thank Yolanda for her commitments and contributions to our U3A for the past many years. Muchas Gracias, Senora Yolanda! All the very best wishes for the future!

### [Member Name Tags](#)

It has come to our attention that there is a print error in your emergency contact details on your name tags. Please either manually cross out and re-write the correct phone details or send an email to the office requesting one and we will re-print you a new name tag, which you will need to collect from the office.

### [Office Not Available on Tuesday, 15<sup>th</sup> March](#)

Also, please note that our office will not be attended on Tuesday, 15<sup>th</sup> March.

Happy Days!

Ann Findlay, President
