

Our First Ever Cooking Class Started Today!!

Thank you to our new tutor addition, Claudia Ng, for the first time ever, taking our new cooking class today! 9 members were quite lucky to be in our first cooking class, as we keenly watched Claudia, with the help of her friend, Edith, prepare fried glutinous rice today. And we got to eat what she prepared too – and it was so, so delicious! We can't wait for the next instalment!

Having seen how the class was conducted and considering the long waiting list, we have decided to restructure the class and offer it to 2 groups, on alternate weeks so more members can be part of this good thing! Group 1 had their class this week. Members waitlisted will attend next Monday. Thereafter, to even out the numbers, we will need a couple of members to move to Group 1. Please send me an email quickly if you're happy to move, otherwise, we will randomly select 2 to move.

So you are aware, ingredients for the class are member-funded. Members attending will be required to pay \$5 per person, per session. You get to enjoy the meal at the end. In the first class, you will also need to contribute an additional \$5 for core ingredients; as such, your first session will cost \$10. No rainchecks. Please bring the correct money and pay when you come in.

Classes are held at Hall C, Mulgrave Community Centre at 355 Wellington Road, Mulgrave on Mondays, 12:00 to 1:00pm. We do need your help to set-up and clean up, so please, come in early and be prepared to leave a few minutes after class finishes. Check out the photos from today!

Membership Renewals

It seems some members are joining classes even though they have not renewed their membership. I get it, as we are no longer taking cash, it is not convenient to transfer to our bank account. So, over the next 2 weeks, we will accept your cash payments. Bring your cash to the office during office hours and we will transfer your membership fees on your behalf.

Your failure to renew your membership means you cannot enrol, and if you attending classes unenrolled, you are placing both yourself and the organisation at risk, as it is **very much a breach of our insurance and membership policies, not to mention the risks to the hire of facilities.**

Please rectify this urgently!
