

Monash Facilities Update!!!

At last! After 3 years of restrictions and lockdowns due to COVID-19, we were notified this morning that restrictions at Monash facilities have now been eased.

*Effective immediately, **Monash's new guidelines** are as follows:*

- *No requirement to use the QR Code check in, but desirable*
- *No requirement to check vaccination status*
- *Masks are no longer required indoors, but you need to carry one & use if you believe social distancing is not practicable.*
- *Capacities as previously nominated.*
- *Continue to use hand sanitiser, which is placed throughout the centres*
- *If feeling unwell, pls remain at home*

With regards to our own rules and practices, in consideration of our vulnerable demographic group and with the pandemic orders still in place, U3A Wheelers Hill will be observing the following:

- Whilst not checking for your vaccination status, **members attending face-to-face classes are required to be double-vaccinated.**
- You will no longer be required to sign the contact tracing register or required to confirm that you have completed the QR code check-in. *Tutors, please revert to using the course attendance sheets and mark member attendance online. You can log-in and print an attendance sheet from the system or request one from the office.*
- We will continue to provide hand sanitisers to tutors on request, noting that Monash facilities will continue to provide them as well. Wherever and whenever possible, please continue using the sanitisers.

It goes without saying, we consider your health and the well-being of our members; if you are unwell, please stay home!!

Stay healthy and be well!

Ann Findlay, President
