Message from the President– 17 January 2023

Happy New Year!

We are nearly ready to commence Term 1! I hope you are all refreshed and looking forward to another awesome year ahead. Some of our tutors are travelling and may not be back by Week 1 of term; please check the starting date of your classes to make sure there isn't a delayed start.

Term 1 starts on Monday, 30 January 2023.

Dance Fitness & Line Dancing Improver Level classes

We are reviewing the current enrolments in an attempt to accommodate members who are waitlisted.

At the end of last term, we advised that it had become necessary for us to alternate the Dance Fitness and Line Dancing Improver Level classes between Fridays and Saturdays fortnightly. As a result, members who are only attend on one day but wish to join both the activities, have had to enrol for both classes. This, therefore, does not provide the true picture of member enrolments; some may have enrolled in sessions they may not be able to attend.

To manage this more tightly, we have now set up 2 separate fortnightly classes for each of the courses:

1. Dance Fitness - Friday (*classes to run on Fridays fortnightly*)
2. Dance Fitness – Saturday (*classes to run on Saturdays fortnightly*)
3. Line Dancing - Improver Level - Friday (*classes to run on Fridays fortnightly*)
4. Line Dancing - Improver Level – Saturday (*classes to run on Saturdays fortnightly*)

For clarity, and using the above details, for members who only wish to attend one activity and not the other, but can attend on Fridays as well as Saturday, they would enrol for 2 classes (eg. 1&2 or 3&4). This way, you may be enrolled in just one class or a combination or even all 4. To give everyone a fair chance to enrol, only enrol for classes you can attend.

Enrolments for these sessions will open immediately (on 18 January and close on 24 January). In order to not disadvantage others who had secured a place before, the classes will not provide automatic acceptances. We will review the enrolments on 25 January and accept enrolments in order of preference:

- Members who have previously successfully enrolled will have first preference,
- followed by members currently waitlisted, then
- the rest of the membership.
